ALF Ethos:

Empowering Change Through Compassion: Uplifting the Needy, Enriching Minds

"At the heart of the Australia Light Foundation Incorporated's (ALF) mission lies a strong commitment to uplift and assist the marginalized, extend a helping hand to the needy, and empower those who lack access to opportunities."

Serving those in need of our efforts

"Drawing inspiration from the noble example of Prophet Muhammad (peace be upon him), who cared deeply for the less fortunate, ALF is driven by a strong desire to alleviate suffering and provide hope. Initiatives such as the Wednesday Night Dinners aim to offer not only food but also a sense of dignity and community to those in need."

Cultivating the minds and developing thinkers, Critical Thinking and Contemplation

"The Islamic tradition encourages the pursuit of knowledge, critical thinking, and contemplation. ALF embraces these principles by providing a space for intellectual growth and reflection. We achieve this through our programs offering Quran lessons, Risale-i Nur lectures in both English and Turkish, as well as educational sessions."

Promoting Multiculturalism

"One of ALF's proudest achievements is its role in promoting multiculturalism. By embracing the diversity of cultures, languages, and backgrounds within our community, we set an example of unity in diversity. We accomplish this through events like our open days, multicultural festivals, and interfaith initiatives."
